PICKLEBALL IS COMING!

WHAT IS PICKLEBALL YOU ASK?

It's one of the fastest growing recreational activities that all age groups can participate in regardless of skill level. Over 2 million players!

As Hainesport Township Committee continues to look for new ways to benefit the community and its residents, they were fortunate enough to receive a grant from the Burlington County Freeholders for \$180,000. After input from the Committee and an opportunity for public input it was decided to apply for money to build Pickleball courts. It will allow for 6 pickleball courts to be added to the Municipal Township recreational complex located on Marne Highway. This will also allow Hainesport Township school K-8 to take advantage of this new activity.

The game is played on a modified tennis court utilizing a net, wiffle ball, and an enlarged table tennis paddle. It can be played as singles or doubles and it is national and international.

One senior citizen at age 80 said "I had a tough time just moving around and closing my hands, and look at me now" as he flexed his hands open and shut and made a fist!

Retired Captain, NJSP

Age is not an issue as it is children and seniors alike. What a way to stay active! What a way to stay healthy!

"....it has taught me lessons about how to apply the game of pickleball to my other sports that I play such as field hockey and lacrosse ..."

Student, Hainesport Township

"...The sport of pickle-ball continues to grow and is a lovely, social avenue for cardio-vascular and hand-eye conditioning."

Doctor, Riverton, NJ

".....Being active has many benefits and I've lost 25 pounds because of it!"

Senior Citizen, Berlin, NJ

".... Currently Pickleball is a game included in the Hainesport Middle School CurriculumThese courts would encourage a participation in a life long game...."

Teacher, Mike Golenda

".....I see it as being a positive addition for the entire community."

Resident, Hainesport Township

Bring your paddles and wiffle ball and give it a try!

HAIRSPRAY tells the story of Tracy Turnblad, a large girl with big hair and a bigger heart, who has only one passion—to dance. She wins a spot on the local TV dance program, "The Corny Collins Show."
