# TEAM USA

## ROAD TO RIO

(Continued) She continued rowing at Colgate University where in her senior year, she honored as an All-American athlete. After college she tried out for the under 23 team and didn't make it. As with any All-American athlete not to be denied she was focused on training and returning to make the team. She began working on her skills and training at the Riverside Boat Club in Boston, Massachusetts. Under the guidance of Tom and Liane Keister, she spent long hours in the single and on the erg, an indoor rowing machine. She focused on increasing her fitness. Under the Keister's guidance and the rest of her support at Riverside she was ready to try again. In 2012 she returned to the US Rowing training center in Princeton, New Jersey. She began her transition from solo training to team training. She was greeted and accepted as part of a team made up of the most talented female rowers in the country. Lauren, during her career as a rower has earned many medals, 7 gold medals in the eight in other competitions all over the world, was part of the record setting team for the eight in 2013 at a time of 5:54:15. She was also part of the team of 8 that won their 10th consecutive world title on Lake Aiguebelette, France at the World Rowing Championships. In 2015 she was named the Fan's Choice National Team Athlete awardee. She says the most influential people in her life have been her parents Eric and Lorie and former Riverside Coach Tom Keister. It's not all work and no play and Lauren enjoys crossword puzzles, downhill skiing, and taking naps. No matter what occurs and amongst all the awards and hype of the eight, one thing remains constant—training comes first. I see in this crossword puzzle #ten and across two words for Lauren Schmetterling, **OLYMPIC GOLD!**

**Carli Lloyd—** If you live in New Jersey maybe you've heard the name. I'm sure if you live in Burlington County you know the name.

She is without question the premier athlete and role model for all girl athletes in the USA. Some of the words used to describe her are tenacious, dedicated, hard working, exceptional ball control, team player, mental toughness, determination, stamina, tackling ability, energetic, clutch player, powerful striker, and superior athlete.

Carli was born in 1982, and raised in Delran Township. She lived there with her parents Stephen and Pamela and has a brother, Stephen and sister, Ashley. She attended high school at Delran High School and played soccer under the late Coach Rudy "The Red Baron" Klobach. In her Senior year she scored 26 goals and 8 assist captaining her team to an 18-3 record. She earned many honors as a High School player, Philadelphia Inquirer Girls High School Player of the Year in 1999 and 2000, named to the Star-Ledger All-State First team in 1999 and 2000, as well as many others. She went onto attend Rutgers University from 2001 to 2004. She played under Coach Glenn Crooks becoming the first Rutgers women's soccer player to earn First-Team All-Big East for four straight years becoming the schools all-time leader in points 117. In 2013 she was inducted into the Rutgers Hall of Distinguished Alumni. Carli went on to play on the National Team for USA as well as Professional Teams. Her accolades and awards just kept rolling in. Algarve Cup Most Valuable Player in 2007; US Soccer Athlete of the year in 2008; FIFA World Player of the Year 2012, 2016; CONCACAF Women's Player of the Year 2015; CONCACAF Goal of the Year 2015; FIFA Women's World Cup Golden Ball 2015 and Silver Boot 2015; FIFA Women's World Cup All-Star team 2015; FIFA women's World Cup Dream Team 2015; FIFA Women's World Cup Goal of the Tournament 2015; Women's Sport Foundation Sportswoman of the Year Team Sport Award 2015; IFFHS World's Women Best Playmaker 2015; FIFA World Player of the Year 2015, FIFA Women's World Cup Runner-up 2011, Champion 2015; Olympic Gold Medal in 2008 and 2012. In the 2008 Olympics Carli scored the winning goal for the Gold against Brazil in overtime. In the 2012 Olympics Carli got her first hat trick scoring her goals in the

game against Mexico which they won 4-0. Again she scored the winning goal in the Olympic Gold medal round against Japan in a 2-1 victory. Finally in the 2015 FIFA World Cup she scored her second hat trick in the win against Japan. She became the first woman to score a hat trick in the final, and the first player, male or female, since 1966 final by a male at Wembley.

Carli's collection of awards and gold medals has not stopped yet. She is featured in the 2016 EA Sports FIFA video game series with her team mates in FIFA 16. She was ranked by EA Sports as the #1 women's player. She and her teammates in 2015 were the first women's team honored in New York City with a Ticker Tape Parade. She and her teammates were given the key to the city by Mayor Bill de Blasio as well as being honored by the President of the United States at the White House. Finally she received probably the most appropriate gift of the year, a key to the Evesham Township Recreational Facility. The blue barn, as many local call it, is where she trained and drilled day after day, working to improve or rehab from the numerous injuries over the years. Under the guidance of James Galanis she has trained, trained, and trained. Nothing fancy just basic drills kicking the ball against a wall and analyzing the kick. Doing 1000 sit-ups and 500 push ups a day. She silenced her detractors and nay sayers by kicking three goals in 16 minutes, the fastest hat trick in a World Cup final, leading in the win against Japan with a score of 5-2. At the 2016 Olympics if you hear a thump, thump, thump it's not thunder; it just Carli kicking the ball against a wall so she and her teammates can bring home the **OLYMPIC GOLD** for the USA.

**Matt Emmons**— was born in April of 1981 in Mt. Holly and grew up in Browns Mills. He currently lives with his family and trains in Colorado Springs, Colorado. He is the son of Louis and Gloria Emmons... His wife is a three-time Olympic medalist in shooting. He has one son, Martin, and two daughters, Julia and Emma. His Father-in-law, Petra Kurka, is a three-time Olympian in rifle shooting and coach of the Australian National Rifle Team. Matt married Katerina (Katy) Kurkova in Plzen, Czech Republic on June 30, 2007. Katy and Matt first met at the 2004 Olympic Games in Athens. Katy is a 2008 Olympic gold and silver medalist, a 2004 Olympic bronze medalist and a 2002 World Championship gold medalist. Julia is now retired and focusing on other pursuits. Matt also holds a degree from University of Alaska-

Fairbanks '03, Accounting; and from the University of Colorado – Colorado Springs '06, Business Administration. Matt graduated from in 1999 from Pemberton Township High School where he once pitched a perfect game for his baseball team. Matt Emmons brought home the gold from the 2004 Athens Olympic Games in Men's 50m Rifle Prone, but narrowly missed the mark in both Men's 50m Rifle Three Position and Men's 10m Air Rifle. In 2008, Emmons won his second Olympic medal, taking the silver in Men's 50m Rifle Prone. He also finished in fourth place, just out of medal contention, in Men's 50m Rifle Three Position. He also won the bronze medal at the 2012 London Olympic Games in Men's Three-Position Rifle.

Matt first began to shoot competitively in high school after Federal Bureau of Investigations (FBI) firearms instructor Paul Adamowski invited him to give the sport a try. He quickly became passionate about shooting and learned that it would be an excellent way to earn a scholarship for college. Though he tried his hand all three Olympic disciplines, it was rifle that kept his attention. In 1997, after a little over a year of shooting, one of Matt's friends talked Matt's father into allowing him to compete in an international shooting event. It was there that he was able to rise above the field and catch the eye of USA Shooting by winning both the Men's 50m Rifle Prone and Men's 50m Rifle Three Position events.

**English Gardner—** She was born in April 1992 in Willingboro, NJ and is a resident of Voorhees N.J. She currently resides in Los Angeles. She first got her start in the Carl Lewis track club at age 12. Attending Eastern High School she was a high school standout. Graduating in 2009. She went on to become an University of Oregon "Duck". Her specialty is the 100 meter dash which she will be competing in the 2016 Olympics. If you see a gold streak it will be English Gardner for the **OLYMPIC GOLD!**

**Steve Kasprzyk—** was born in February 1982 and a Cinnaminson, NJ native is the son of Bruce and Kathleen Kasprzyk and has a brother Bruce Jr. He attended Holy Cross High School in Delran as a member of the 2000 graduating class. He obtained a degree in chemical engineering from Drexel in 2005. He began his rowing career at Drexel in 2000. He was part of a Dragons team that won the Kerr Cup in 2004. He was a member of Team USA's eight that finished fourth at the 2012 Summer Olympics in London. He is one of two rowers in the current Team USA men's eight to be making a second Olympic appearance. He has an extensive resume of international and national success, including a gold medal at the World Rowing Cup II in 2014 and a gold medal at the 2011 Pan Am Games. The 34-year-old first joined the national team in 2007. His team qualified in May 2016 for the Olympics in Rio by finishing first at the Final Qualification Regatta in Lucerne, Switzerland. They took the top spot with a time of 5:29.160. He enjoys running marathons and mountain biking and his personal hero is his Dad. Cheer him on as he strokes forward to win the **OLYMPIC GOLD!**

### 2016 OLYMPIC TEAM TRIALS
