

Hainesport Township Recreation

Is seeking volunteers wanting to serve their community

Throughout the year, the Recreation Commission sponsors indoor and outdoor events. Each event is unique and the requirements may be different. The events are family-oriented, held at a variety of locations throughout town and occur during the day and evenings.

- Logistics: set up and/or break down of an event
- Crowd and/or traffic control
- Facilitating activities
- Working various shifts (entire event, beginning/end of the event, partial time)

Volunteers would need to do the following:

- Provide accurate and up-to-date contact information and complete a contact information form
- Commit to the event (once you agree to work the event – please show up)
- Provide excellent customer service by treating everyone with respect and dignity
