### Proof of Residency/Domicile

The Hainesport Board of Education has policies and procedures related to "Proof of Domicile" for students who attend our school. These policies and procedures are based upon New Jersey Statutes Annotated 28-2.5 and New Jersey Administrative Code 18A: 38-1. A procedure requiring proof of current domicile in Hainesport is mandatory for all new registrants at the time of registration.

*Domicile is defined as "an individual's true, fixed and permanent place or home to which whenever absent he or she has the intention of returning." Whether a family is renting an apartment, purchasing a home, or moving in with another Hainesport resident, concrete proof of domicile as defined by N.J.S.A.18A:38-1 et seq. shall be provided before the pupil is enrolled into Hainesport Public School.*

Any false or fraudulent statements, answers or declarations contained in Affidavits or in the application for admission may render the applicant personally liable to the Hainesport Board of Education for the payment of tuition for any period of unlawful attendance. Tuition rates are determined annually in June for the next school year.

Applicants who fraudulently allow a child to use residence or who fraudulently claim to have given up custody may be charged with Disorderly Persons Offense. If the applicant is convicted of such an offense, the applicant may be fined up to \$1,000.00 and/or be imprisoned for up to six months. Any false statements, answers or declarations contained in the Affidavit or in an application for admission may subject the applicant to criminal prosecution for the crime of false swearing, in violation of N.J.S.A.2C:28-2. If convicted for such a crime, the applicant may be punished by a fine of \$7,500.00 and/or imprisoned for up to 18 months.

I, the undersigned, hereby acknowledge that I have read and understand the contents of this notification.

Our school district is participating in the Special Education Medicaid Initiative (SEMI) program that allows school districts to bill Medicaid for services that are provided to students. This information may be disclosed only to Medicaid and the Department of the Treasury for the purpose of receiving Medicaid reimbursement at the school district.

This consent establishes that your child's personally identifiable information, such as student records or information about services provided to your child, including evaluations and services as specified in your child's Individualized Education Program (IEP) (occupational therapy, physical therapy, speech therapy, psychological counseling, audiology, nursing and specialized transportation,) may be disclosed **ONLY** for the purpose of receiving Medicaid reimbursement at the school district. In accordance with the Family Educational Rights and Privacy Act, 34 CFR §99.30 and Section 617 of the IDEA Part B, consent requirements in 34 CFR §300.622 require a one-time consent before accessing public benefits.

### Medicaid Notification Regarding Parental Consent

**Background:** The State of New Jersey has participated in a Federal program, Special Education Medicaid Initiative (SEMI), since 1994. The program assists school districts by providing partial reimbursement for medically-related services listed on a student's Individualized Educational Program (IEP).

The SEMI program is under the auspices of the New Jersey Department of the Treasury through its collaboration with the New Jersey Department of Education and New Jersey Division of Medicaid Assistance and Health Services.

In 2013, the regulations regarding Medicaid parental consent for school-based services changed. Now the regulations require that, prior to accessing a child's public benefits or insurance for the first time, and annually thereafter, school districts must provide parents/guardians written notification and obtain a one-time parental consent.

#### Is there a cost to you?

**No.** IEP services are provided to students while at school at no cost to the parent/guardian.

#### Will SEMI claiming impact your family's Medicaid benefits?

The SEMI program **does not** impact a family's Medicaid services, funds, or coverage limits. New Jersey operates the school-based services program differently than the family's Medicaid program. The SEMI program does not affect your family's Medicaid benefits in any way.

**What type of services does the School-Based Services program cover?** Evaluations, Psychological, Counseling, Speech Therapy, Audiology, Occupational Therapy, Physical Therapy, Specialized Transportation

#### What type of information about your child will be shared?

In order to submit claims for SEMI reimbursement, the following types of records may be required: first name, last name, middle name, address, date of birth, student ID, Medicaid ID, disability, service dates and the type of services delivered.

#### Who will see this information?

Information about your child's special education program may be shared with the New Jersey Division of Medicaid Assistance and Health Services and its affiliates, including the Department of the Treasury and the Department of Education for the purpose of verifying Medicaid eligibility and submitting claims.

#### What if you change your mind?

You have the right to withdraw consent to allow for Medicaid billing at any time by contacting the school in which your child is enrolled.

#### Will your consent or refusal to consent affect your child's services?

No. Your school district is still required to provide services to your child pursuant to his or her IEP, regardless of your Medicaid eligibility status or your willingness to consent for SEMI billing.

#### What if you have questions?

Please call your school district's Special Education department with questions or concerns, or to obtain a copy of the parental consent form.
